THE INDOOR MEET.

Class of 1907 Wins by Ten Points With 1905 Second.

The Annual Indoor Meet proved even more of a success this year than last, and 1907 was again victorious. About half past seven the crowd began to assemble, and at eight o'clock about two hundred people were seated. The events were closely contested and interest never lagged. Individual honors were divided between R. D. Farrington, '05; who won the high jump easily, at 5 feet 5½ inches, and obtained second place in the high hurdles, and E. P. Noyes, '07; who was first in the 45-yard high hurdles and second in the 40-yard dash.

Members of the faculty officiated as judges, and Dr. and Mrs. Pritchett were custodians of the prizes.

The first event of the Meet was the 40-yd. Dash, which brought out a field of twenty-five men. Five trial heats were run, in which the first three men qualified. Three semi-final heats were run, in which the first two men qualified.

In the 45-yard high hurdles, the second event only six men answered to the roll call. Two trial heats were run, in which the first two men qualified for the finals.

The trials for the Potato Race were run off in the afternoon to avoid the long delay caused by so many entries. The following six men qualified for the finals: Lorenz, '05; Marcy, '05; Howe, '06; Clapp, '06; and Starkweather, '07.

The High Jump, the third event of the evening, brought out only seven entries. The outcome, however, showed that the field was large enough to make the contest interesting, as all the entries jumped in good form.

The Military Relay Race, the last event of the evening, was very well contested. In the trials '07 and '08 kept close together until the Freshmen dropped the flag, thus letting '07 win by thirty yards. As '05 did not enter a team, the Juniors did not have to compete in the trials.

The final heat between '06 and '07 was at first a close and exciting race, but the tenth runner for the Juniors dropped the flag, giving the

Sophomores a good lead. They won by forty yards. The summaries:

40-YD. DASH.

Mechanical Engineering Society.

Mr. John G. Callan, M. I. T., '96, engineer of the turbine machinery department of the General Electric Company, will address the Society on Monday evening, Feb. 20, at the Union. His subject will be the Curtis turbine. He proposes to discuss the laying out and design of a turbine, the thermo-dynamics of the same, and theoretical and practical considerations as well as features of the mechanical design. This lecture will be illustrated by a specially prepared set of slides.

Notices have been posted recently calling the attention of the second year men of Courses II and X to the fact that membership in the Society is now open to them. Names should be handed to J. H. Flynn, Jr., '05.

Boston College Indoor Meet.

The annual Boston College Indoor Handicap Meet will be held at the Boston College Gym., James Street, next Monday evening. There will be six events, in each of which there will be prizes for first and second places. Special team races will be arranged between Colleges, Preparatory and High Schools. The entrance fee will be twenty-five cents per man for the first event, and ten cents for each other. Any

Tech men who desire to enter may obtain entry blanks from the Manager or Coach of the Track Team.

Ohio Club Organized.

A meeting was held Tuesday to organize an Ohio Club, and a committee was chosen to draw up a constitution which will be presented at a meeting to be held at 1 o'clock in Room 11 Rogers, Feb. 21. Of the forty men eligible for membership, fifteen were present at the first meeting. In addition to the usual dinners it is proposed that the Club have certain literary aspects.

Musical Club.

The Combined Musical Clubs gave a very successful concert at the Colonial Club, Dorchester, Wednesday evening, Feb. 15. The concert was well attended, and the clubs were encored many times.

The Musical Clubs will also give a concert at Wakefield tonight. Members of the Clubs will meet at the North Station, Boston & Maine R. R., at 6.45 P.M.

Mandolin Club.

There will not be a rehearsal of the Mandolin Club this afternoon, but every man should be on hand at the concert in the evening.

COLLEGE NOTES.

At a meeting of the Athletic Committees of Leland Stanford and California Universities it was voted to do away with the rule regarding graduate coaches. Hereafter either university may employ any class of coach it may choose.

Oxford and Cambridge have finally accepted the challenge sent by Yale, Harvard, Princeton and Columbia to compete in another international chess match for the Isaac Rice trophy. The contest will probably take place April 12, 13 and 14.

The feature of the rowing regatta at Philadelphia, on May 20, will be the race for second 'Varsity eight-oared crews, in which Yale, Harvard, Penn., Cornell, Columbia, Syracuse, and possibly Georgetown will participate. This will be the first time in the history of rowing that all of these colleges have been brought together in rowing.

An estimate of Yale's receipts from football last season has been placed at \$70,000. The college received as its share of the profits from the Princeton game about \$22,000, \$11,000 from the Columbia game and about \$31,000 from the Harvard contest. This makes a receipt of about \$64,000 for the three big games. From other games about \$6,000 was received.

President Eliot of Harvard, in his recent report, shows that the University has suffered another deficit and

appeals for aid. For two years now President Eliot shows, the University has run behind—in 1902-03 with a deficit of \$10,000 and 1903-04 with a deficit of \$30,000. In spite of considerable economics, he predicts another inevitable deficit in the current fiscal year.

The Cornell hockey team has been disbanded for the season, on account of recent action taken by the Faculty.

The Williams football management has announced a balance of \$750, which exceeds that of last year by \$400.
